Tassilo Tanneberger

TUD Dresden University of Technology Faculty of Computer Science

Chair of Compiler Construction

tassilo.tanneberger@tu-dresden.de

https://tanneberger.me

https://github.com/tanneberger

Research Interests

Domain Specific Languages (DSLs), Compilers, Embedded Systems, Computer Engineering, Distributed Systems

Education

2021 - 2026 Study of Computer Science (Diploma Dipl.-Inf.)

TUD Dresden University of Technology

5/2021 Grammerschool with Grade 1.7

Professional Experience

9/2024 - 4/2025 Visiting Research Scholar at UC Berkeley

supervised by Edward A. Lee

2023 - now Co-founder and Member of Board of Directors

DD-IX Dresden Internet Exchange e.V.

II/202I - now Research Student at the Chair for Compiler Construction,

TUD Dresden University of Technology

4/2021 - 10/2021 Engineer working on Tooling for Industrial Robots

Society for the Advancement of Applied Computer Science (GFaI)

Open Source Projects

2022 TLMS - Transit Live Mapping Solutions

Reverse engineering of the radio protocol used for controlling traffic lights in Germany.

Design and implementation of a platform that shows live positions of trams and buses based on this data. https://map.tlm.solutions

2021 Lingua-Franca (LF) - a polyglot coordination language for reactive, concurrent, and time-sensitive applications.

Optimizing and maintaining the C++ runtime environment, development of a runtime for microcontrollers, building a package manager and built tool for LF.

https://lf-lang.org

Extracurricular Activities

II/2022 - II/2024 Member of the Faculty Council

Faculty of Computer Science, TUD Dresden University of Technology

II/2021 - II/2023 Member of the CS Student Council

Fachschaftsrat Informatik (iFSR)

Publications
